

STAFF PROFILE

- 1. Name:** Kevin Elliott
- 2. Position:** *Chief Engineer*
- 3. Describe what you do at West TN PBS?** As Chief Engineer, I experience a wide range of different responsibilities and tasks that I have completed over the years. I have helped build out and design the Master control operations. I have overseen numerous projects that had equipment that needed repaired or replaced. I assist in keeping West TN PBS legal by filling the necessary paperwork with the FCC. I have worked countless hours on local productions. My role during local productions have included everything from driving the Production truck to the site, troubleshooting any issues with equipment during the production, and running the equipment.
- 4. How long have you been on the West TN PBS Staff?** I worked part time for West TN PBS for 10 years as a production employee. I became a full time employee on October 1, 2013.
- 5. Where is your hometown?** Dyer, TN
- 6. What is your favorite part of working at West TN PBS?** I like the ever changing tasks that I need to do from day to day. Doing the same task over and over is too repetitive for me. I love the challenge of trying to solve new problems and invent new ways of doing things.
- 7. What is your favorite program on West TN PBS Channel 11?** I like this Old House and our local productions.
