Independent Auditor's Report

To the Board of Directors
West Tennessee Public Television Council, Inc.
Martin. Tennessee

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of West Tennessee Public Television Council, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of activities, cash flows, and functional expenses for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of West Tennessee Public Television Council Inc., as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of West Tennessee Public Television Council, Inc., and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about West

Tennessee Public Television Council, Inc.'s ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit
- Identify and assess the risks of material misstatement of the financial statements, whether
 due to fraud or error, and design and perform audit procedures responsive to those risks.
 Such procedures include examining, on a test basis, evidence regarding the amounts and
 disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of West Tennessee Public Television Council
 Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about West Tennessee Public Television Council Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of state financial assistance, is presented for purposes of

additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of state financial assistance is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Information

Management is responsible for the other information included in the annual report. The other information comprises of the roster of management officials and board members but does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 15, 2023 on our consideration of West Tennessee Public Television Council, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of West Tennessee Public Television Council's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering West Tennessee Public Television Council, Inc.'s internal control over financial reporting and compliance.

June 30, 2023 and 2022

NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES

West Tennessee Public Television Council, Inc. (the Corporation) is a non-profit Tennessee corporation which owns and operates the non-profit public television station – WLJT-TV. WLJT's mission is to educate, enrich and enlighten by providing programs and services of quality and value to West Tennessee and the surrounding area. The Corporation has significant reliance and is supported primarily through private contributions, state and local grants, grants from the Corporation of Public Broadcasting, appropriations from the State of Tennessee, and In-kind contributions.

A. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with *Generally Accepted Accounting Principles*.

B. Recently Adopted Accounting Standards

On January 1, 2022, the Company adopted ASU No. 2016-02 "Leases (Topic 842)" and subsequent amendments thereto, which requires the Company to recognize most leases on the balance sheet. The standard was adopted under a modified retrospective approach as of the adoption and elected to apply several of the available practical expedients, including: carryover of historical lease determination and lease classification conclusions, carryover of historical initial direct cost balances for existing leases, and accounting for lease and non-lease components in contracts in which the Company is a lessee as a single lease component.

Management determined that operating leases were material and significant; therefore, the leases were recorded pursuant to ASU No. 2016-02. The adoption of *FASB ASU 2020-07 (Topic 958)* Contributed Nonfinancial Assets, was effective for FY 2023. Disclosures about the Company's leasing activities are presented in NOTE 5 – Lease Agreement.

C. Financial Statement Presentation

The Organization is required to report information regarding its financial position and activities according to two classes of net assets: with donor restrictions and without donor restrictions. The Organization has continued its use of fund accounting in keeping its books and records. As a result, it has reclassified its fund balance to present the two classes of net assets for financial statement purposes as required.

D. Revenue Recognition

Under FASB ASC 606 revenue recognition requirements that went into effect December 15, 2019, there is no material impact on how the Company recognizes revenue. The new requirement addresses contractual performance obligations for consideration for services provided and how revenue is reported.

The Company has grant agreements with the State of Tennessee and the Corporation for Public Broadcasting (CPB). The revenue from these grants is listed under each grant specifically listed on the Statement of Activities. The Company obligation under these grant agreements is to comply with regulatory standards, perform appropriate management and use of the grants, and submit annual audited financial statements. The grant received from the State of Tennessee also requires

June 30, 2023 and 2022

an accounting of the actual expenditure of such funds. The Company has other revenue streams that particularly are made up of donations and contributions. A specific performance obligation is not applicable with these revenue streams

Grant funding for contract periods spanning across multiple fiscal years are recorded as unearned revenue in the year funds are received to ensure all prior received funds have been expended. Unrestricted contributions, pledges, and grant funding for contract periods for the current fiscal year are recognized as revenue in the Statement of Activities upon receipt. Other unrestricted revenues are recognized as earned either upon receipt or accrual. State appropriation support is reported as unrestricted revenue. Expenditures of unrestricted funds are recognized as expenses when expended or upon incurrence of the related liability.

E. Accounts Receivable

The balance of accounts receivable may vary from year to year depending on the timing of the certain grants. Typically the grants are billed out for each month and when a delay in payment occurs, the Company will record accounts receivable. The Company had accounts receivable of \$39,814 and \$59,019 as of June 30, 2023 and 2022 respectively.

F. In-Kind Contributions

Contributed materials, supplies, facilities, and property are recorded at their estimated fair value at the date of donation. WLJT reports gifts of equipment, professional services, materials and other nonmonetary contributions as unrestricted revenue in the accompanying statement of activities. If the fair value of the contributed materials, supplies, facilities, and property cannot be reasonably determined, they are not recorded.

G. Income Taxes

WLJT is exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code as evidenced by a letter dated August 26, 1985. Accordingly, no provision for income taxes has been made in the following statements.

H. Cash Equivalents

Cash equivalents consist of cash and interest-bearing deposits. For the purposes of the statements of cash flows, cash in demand deposits with financial institutions and all cash investments with original maturities of three months or less are considered to be cash and cash equivalents. To avoid FDIC risks, the company opened certificates of deposits at six different banks. The Company has a total of \$1,423,769 in 2023. These CDs have maturities of over three months.

I. Contributions

Contributions are recorded when cash is received and are considered to be available for unrestricted use unless specifically restricted by the donor. Net assets, revenues and expenses are classified based on the existence or absence of donor-imposed restrictions. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is

June 30, 2023 and 2022

accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

J. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires West Tennessee Public Television Council's management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

K. Date of Management Review

Subsequent events have been evaluated through October 15, 2023, which is the date the financial statements were available to be issued.

L. Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among programs and supporting services benefited.

M. Contingent Liabilities and Losses

The Corporation receives the majority of its revenue under various state apportionments, corporate grants and in-kind contributions. Any disallowed claims and costs, including already collected, may constitute a liability of the applicable funds. This amount, if any, of expenditures which may be disallowed by grantor agencies or contributors cannot be determined at this time although the Corporation expects such amounts, if any, to be immaterial.

N. Contingencies

The Organization received thirty and thirty-three percent of their funding from state appropriations and in-kind contributions during the fiscal year ended June 30, 2023 and June 30, 2022 respectively. A major reduction of such funds, should this occur, may have a significant effect on future operations.

NOTE 2 - DETAILED NOTES ON ACCOUNTS

A. Concentrations of Credit Risk

Financial instruments that potentially subject the Corporation to concentrations of credit risk consist primarily of cash and cash equivalents, investments and accounts receivable. Cash and cash equivalents are maintained in demand deposit accounts which, at times, may exceed federally insured limits. By their nature, all such financial instruments involve risk, including the credit risk of nonperformance by counterparties. Exposure to credit risk is managed primarily through monitoring procedures. The Corporation had cash in excess of FDIC insured limits of \$8,462 and \$1,142,978 as of June 30, 2023 and 2022 respectively; posing significant credit risk. Management assumes all risk of loss.

June 30, 2023 and 2022

B. Property and equipment

WLJT capitalizes property and equipment over \$2,500. Lesser amounts are expensed. Purchased property and equipment are capitalized at cost. Donations of property and equipment are recorded contributions at their estimated fair value. Such donations are recorded as unrestricted contributions unless the donor has restricted the donated assets to a specific purpose. Assets donated with explicit restrictions regarding the use and contributions of cash that might be used to acquire fixed assets are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, WLJT reports expirations of donor restrictions when the donated or acquired assets are placed in service. WLJT reclassifies net assets with donor restrictions to net assets without donor restrictions at that time. Depreciation is computed on a straight-line basis over the useful lives of the assets as follows:

Building and Improvements 20 - 30 years

Furniture and Equipment 5 - 10 years

The net property and equipment balance has been recorded as a separate component in net assets without donor restrictions.

C. SBA Paycheck Protection Program Loan

On approximately December 27, 2020, the Company was granted a second loan in the amount of \$114,155, pursuant to a second round of Paycheck Protection Program included in the Consolidated Appropriations Act, 2021. This was in addition to the original CARES Act which was enacted March 27, 2020. Funds from the second Loan may be used for operational expenses, property damage, supplies costs, worker projections, payroll costs, costs used to continue group health care benefits, the mortgage interest payments, rent, utilities, and interest on other debt obligations incurred. The sixty percent usage on payroll costs requirement is still applicable. This loan was forgiven in full in fiscal year 2022.

NOTE 3 - LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The West Tennessee Public Television Council, Inc.'s financial assets as of the June 30, 2023 and 2022, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of the balance sheet date ARs \$1,887,960 and \$1,934,538, respectively. This amount is the cash in bank without restrictions and the current portion of accounts receivable. The West Tennessee Public Television Council, Inc., has a goal to maintain financial assets, which consist of cash and cash equivalents, on hand to meet at least 60 days of normal operating expenses as of June 30, 2023 and 2022, which are, approximately \$365,650 and \$365,183, respectively.

NOTE 4 – Simplified Employee Pension Plan (IRA)

The Company contributes to a Simplified Employee Pension Plan for qualifying employees. Employees must be 18 years of age and have worked for the Company for six months. The Company contributes 7.5 percent to the plan for each eligible employee. The employees are not allowed to contribute any to the plan. The Company had expenses related to the plan of \$40,657 and \$41,274 as of June 30, 2023 and 2022, respectively.

June 30, 2023 and 2022

NOTE 5 – LEASE AGREEMENT

A. Broadcast Tower

WLJT entered into a lease agreement with a Broadcast Tower, with a total monthly payment of \$583. The lease will terminate as of September 2035. The total amount of lease expense at June 30, 2023 and 2022, was \$2,642 and \$0, respectively. As of June 30, 2023, the operating weighted average remaining lease term is 12 years and the weighed average discount rate is 6.00%. Future undiscounted lease payments with initial terms of one year or more are as follows:

On or before June 30, 2024	\$ 7,000
On or before June 30, 2025	7,000
On or before June 30, 2026	8,000
On or before June 30, 2027	8,000
On or before June 30, 2028	8,000
Thereafter (until 2035)	56,000
	94,000
Less interest payments	26,818
Present value of lease liability	\$ 67,182

B. Novatech Copier

WLJT entered into a lease agreement with a Novatech Copier, with a total monthly payment of \$433. The lease will terminate as of April 2028. The total amount of lease expense at June 30, 2023 and 2022, was \$323 and \$0, respectively. As of June 30, 2023, the operating weighted average remaining lease term is 4.4 years and the weighted average discount rate is 6.00%. Future undiscounted lease payments with initial terms of one year or more are as follows:

On or before June 30, 2024	\$ 5,196
On or before June 30, 2025	5,196
On or before June 30, 2026	5,196
On or before June 30, 2027	5,196
On or before June 30, 2028	4,330
	25,114
Less interest payments	3,359
Present value of lease liability	\$ 21,755

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With Government Auditing Standards

Board of Directors West Tennessee Public Television Council, Inc. Martin, Tennessee

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of West Tennessee Public Television Council, Inc., (a nonprofit organization), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 15, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered West Tennessee Public Television Council, Inc.'s internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing our opinion on the effectiveness of West Tennessee Public Television Council, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of West Tennessee Public Television Council, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether West Tennessee Public Television Council, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
