

Chief Engineer

WLJT-TV 11 West TN PBS is searching for a full-time Chief Engineer to oversee our station's transmitter and tower facilities. They will be responsible for all maintenance and associated technology for the transmitter & tower facilities and other associated broadcast equipment.

About West TN PBS/WLJT-TV:

Since 1968, WLJT-TV has been the only public television station for all of West Tennessee. Today West TN PBS provides three TV channels, streams on the free PBS App and provides hundreds of educational and community outreach activities each year to 21 counties across our area. With locations in Jackson and Martin Tennessee, we are committed to being the most local television station in West Tennessee.

Chief Engineer:

Qualifications:

- Bachelor's degree in television, broadcasting, engineering, or a related field.
- Previous broadcast engineering experience. Consideration will be given to an equivalent combination of related education and professional work experience.
- Experience with broadcast transmitters/towers or equivalent education/training.
- Valid driver's license and any required driving endorsements.
- Ability to assist with other station projects and events as needed.

Responsibilities:

- Maintain station's tower/transmitter facility.
- Ability to lift 50 pounds and carry short distances.
- Adhere to FCC rules, regulations, and compliance requirements and keep stations FCC files.
- Manage vendors for needed equipment and services for the transmitter and tower.
- Prepare budget and recommendations for needed equipment and upgrades.
- Ability to work in an on-call environment and with a flexible schedule, including extended hours on occasion at night or weekends.
- Assist with other station events and activities as needed and assigned.

To apply, send your resume, cover letter and references to jobs@westtnpbs.org

No phone calls please. The position/s are open until filled.
